01. COMPANY OVERVIEW

Sooriya Mushrooms is a Sri Lankan mushroom cultivation and distribution company dedicated to producing fresh, healthy, and premium-quality mushrooms. Since our establishment, we have focused on sustainable farming methods, hygienic production, and customer satisfaction.

We supply fresh mushrooms to households, supermarkets, restaurants, hotels, and wholesale buyers while maintaining the highest quality standards.

02. OUR STORY

03. MISSION

To provide safe, nutritious, and high-quality mushroom products through sustainable cultivation while delivering excellent value and service to every customer.

04. VISION

To become one of Sri Lanka's most trusted mushroom producers by combining innovation, quality, and sustainable agricultural practices.
